With exoLink, this is all the fancy footwork you need.

You're competing in deregulated retail energy markets. Information of all kinds in all formats is flowing in and out of your enterprise. Meter readings. Billing information. Enrollments. Changing market rules. But you're taking it all in stride. Even exceptions don't trip you up. Because you rely on exoLink to get the right information to the right place at the right time.

Picture yourself.

Come visit our booth at CIS, #918, and register to win a Handspring™ Visor™ Deluxe handheld computer with an Eyemodule Digital Camera attachment. Organize tons of information and grab cool photos on the go.

ExoLink integrates retail energy information precisely to your business processes, keeping you in complete control. Error and hassle free. Come see all the ways exoLink can put your retail energy information needs at ease.
