S Church on Saturday night? Say what?

Believe it or not, some Christians met in the first century on Saturday nights. So, why not in the 21st century? Our mission is to connect the unchanging love and truth of God with an ever-changing culture. Our Saturday night ~~e~~x~~t~~r~~e~~m~~e~~ worship experience is just another way we bring that mission to life.

S So, what's it like?

Our Saturday Night ~~e~~x~~t~~r~~e~~m~~e~~ worship experience reflects our desire to eliminate barriers that may prevent people from establishing a relationship with God.

At Saturday night ~~e~~x~~t~~r~~e~~m~~e~~, you'll find a very cordial and casual atmosphere where your appearance doesn't matter as much as your presence. There will be

an uplifting and engaging worship experience led by our ~~e~~x~~t~~r~~e~~m~~e~~ measures band, moments of prayer, an experience sharing in Communion and a message from Scripture that can be easily digested and applied to our everyday lives. Our 5-star nursery and Kids' Branch children's program will be in full swing as well.

S What about Farmers Branch Church of Christ?

There's no shortage of places to worship these days. But you might have noticed that sometimes it's hard to distinguish a place of worship from a large office building or corporate campus.

At the Farmers Branch Church of Christ, we don't mind looking like a church on the outside because we're focused on making a difference where it counts: on the inside. FBCC has a membership that represents a wide cross-section of people from across the Metroplex. We offer small group programs that enable each member to build meaningful and empowering relationships with other believers.

The Kids' Branch children's ministry and our student ministries are incredibly fun, focused and packed with potential for children and teens to develop lasting relationships with God and one another from the earliest of ages.

Our youth programs are designed to make spirituality cool at every age level.
