Unfortunately, the unexpected always does.

Plan ahead.

Secure your success beyond the unexpected.

It's not easy achieving and maintaining success. With as much work as we put into achieving success for ourselves and our loved ones, few of us make the effort to secure that success in the event of unexpected serious illness, disability or death.

Through our comprehensive estate planning services, we can help you stay in control of your finances, your property and your belongings through, and beyond, the unexpected. You'll also get peace of mind when you see that our efforts to ensure the security of your assets and holdings equals the effort you expended attaining them.

Your estate plan should be as unique as you are.

There's no such thing as a one-size-fits-all-estate plan. Your life's circumstances, goals and financial situation are unique, that's why we tailor your estate plan for an exact fit. We help you understand and integrate the expertise of multiple professionals, tools and techniques to make sure each and every one of your estate planning goals is accomplished. To complete your customized estate plan, we will incorporate some or all of the following:

- Wills
- Living Trusts
- Powers of Attorney
- Medical Powers of Attorney
- Living Wills
- Insurance Trusts
- Estate Tax Planning
- Coordinate Beneficiary Designations
- Medicaid Planning
- Charitable Gift Giving
- Business Succession Planning
- Asset Protection Planning

After fully assessing your life situation, we integrate the appropriate documents and techniques to put you in control of your success through, and even beyond, the unexpected.

The benefits of sound estate planning you should expect.

There are a wide range of benefits that sound estate planning can provide. At a minimum, you should expect your estate plan to:

- Help you avoid court control or supervision of assets upon disability
- Take maximum advantage of income tax savings for yourself and your loved ones
- Provide liquidity planning
- Provide flexibility to adjust to changing circumstances
- Protect children's inheritance from loss through divorce or to their creditors
- Include right to die planning to give you control of your medical treatment
- Designate health care decision makers
- Reduce or eliminate federal estate taxes
- Help you avoid disputes and contests of others
- Protect and conserve critical family resources
